The Court thanks the parties for their submission regarding whether the issue of the method of calculating damages should be briefed. After full consideration, the Court will not order additional briefing at this time.

In addition, the Case Management Conference currently scheduled for March 10, 2025 is hereby adjourned *sine die*. The parties are directed to file a status letter with the Court by **March 10, 2025** informing the Court whether any discovery remains.

Finally, in its Post-Conference Order on January 15, 2025, the Court denied Plaintiff's motions to seal at ECF Nos. 370 and 384 without prejudice, directing Plaintiffs to refile the motions with revised redactions.
